## What is the Little League Challenger Program?

The Little League Challenger Division® was founded in 1989 and is Little League's adaptive baseball program for individuals with physical and intellectual challenges. Any individual with a physical or intellectual challenge may participate. If an individual can participate in the traditional Little League Baseball or Softball program with reasonable accommodations, they should do so. The Little League Challenger Division accommodates players ages 4 and above. Today, more than 30,000 children participate in more than 900 Challenger Divisions worldwide.
